

LARICELLE FOUCHEE

CIVIL AND COMMERCIAL & WORKPLACE MEDIATOR

PROFILE

Hello! I'm Laricelle Fouchee, a dedicated mediator committed to helping individuals and businesses resolve disputes amicably and effectively. With a robust background in law and a passion for collaborative solutions, I strive to make mediation a constructive and positive experience for all parties involved.

BACKGROUND & EXPERIENCE

I bring a unique perspective to mediation, drawing from my extensive legal background. As an admitted Attorney of the High Court of South Africa, I specialised in Employment Law disputes, Bills of Cost, Curator Bonis matters, and Trusts. This experience has equipped me with a deep understanding of the complexities and sensitivities involved in various conflicts.

MY APPROACH TO MEDIATION

I believe mediation should be a collaborative process where problems are resolved together without the adversarial nature of litigation. My approach focuses on facilitating open communication, understanding each party's perspective, and guiding them toward a mutually beneficial agreement.

I conduct most mediation sessions online, providing flexibility and convenience for my clients. However, I am also available for in-person sessions if needed.

PERSONAL PHILOSOPHY

I believe that there are solutions to every problem and that litigation is not the only way to resolve conflicts. My motivation as a mediator comes from helping clients find those solutions and achieving consensus without the stress and expense of going to court.

LANGUAGES

I am fluent in both English and Afrikaans, allowing me to assist a diverse range of clients.
